

Driving to Megeve from Geneva

From the French side of the airport

If you have hired from the French side of the airport, check if your car has a Swiss motorway vignette. If so, when you come out from the airport access road, you will see the border on your right. Go through the border to Switzerland back to the Swiss side of the airport and get on the motorway to FRANCE. If you do not have a Swiss vignette, follow signs for the centre of Geneva, then cross the river and follow signs for Chamonix until you get to the A40 motorway. Then continue from the first payage below.

From the Swiss side of the airport

Hopefully you have hired a car on the Swiss side of the airport. If so it will have a Swiss motorway vignette. Follow signs towards FRANCE. There are several sets of traffic lights, then a T junction. France is to the left, but get in the middle lane, because you turn right after about 50 metres onto the Autoroute. Continue to the border.

About 1km after the border, the road divides:

First Large Roundabout

For Chalet-Hotel Rond Point,

Turn left at first large roundabout, 100m to mini roundabout. Rond Point is to your left on the roundabout.

Sometimes you can stop opposite, or go 50m up hill to a small car park, turn there and stop outside the door to unload. Then find somewhere to park. Phone 0033 (0) 4 5021 1750.

For Chalet Roseau

As for Rond Point but go on up to small car park. Roseau is 20m up the hill behind the car park.

For Hotel au Coeur de Megeve

As for Rond Point but turn right at mini roundabout. Past the ice rink, the road narrows and the Coeur de Megeve is straight ahead where the narrow road turns left.

Usually best to stop by car park

exit at the end of the ice rink and carry your bags from there.

Between the two large Roundabouts:

For Hotel Grange D'Arly

Past first roundabout. Turn right after about 100m immediately after the bus station.
At Second large roundabout, turn left Post Office (PTT) on corner.

At second roundabout turn left:

For Hotel Vieux Moulin

100m from roundabout, turn right at cross roads. Vieux Moulin is 30 metres on right.

For Apartment Chalet Centrale

Go up the road, look out for a car park on your left and a small parade of shops on your right. The Chemin des Ecoles is on your right before the small Casino supermarket and the Hotel Chalet St. Georges. The chalet is at the bottom of this road on your right before the road bends to the left.

For Hotel Chalet St Georges

Past cross roads and car park. St Georges is ahead, slightly left when the road bears right. Car park entrance at left hand side.

For Hotel Gai Soleil

Just past the St Georges, fork right, Sport 2000 on your left. 200m.

For Chalets Sylvana and Les Clochettes

Continue up the hill past the St Georges on your left, 30 metres fork left up hill, Sport 2000 on your right. When you see Intersport on left, turn left up the narrow, steep track to the left of Intersport.

We mean left. 75% of people go up the road to the right!!! If in doubt ask at Intersport.

For Le Sporting Apartments Rochebrune and Mont Blanc

When you arrive at Combloux, the village below Megeve, please call Rory, our resort manager, on 0033 695 14 77 37. If you can't get hold of Rory then call Samantha, our apartment rep, on 0033 7 68 46 58 60. This will then allow Sam time to come and meet you to guide you to your apartment. She will be waiting outside Intersport, which is on your left as you come up the hill just before the turning to the Rochebrune telepherique (see map attached to this email). Once you have met Sam, you will need to turn left up the road leading up to the Rochebrune telepherique. Sam will then be able to guide you to the underground garage before welcoming you to the apartment and helping you get settled in.
